

## Testimony for SB 46

Please support SB-46 to ban lawn pesticides on high school grounds. I am very concerned about Connecticut's children being exposed to toxic lawn pesticides. I'm relieved that Connecticut has a law prohibiting the use of toxic lawn pesticides at day care centers and school grounds with children through grade 8, but why are our young people not protected in other places like high schools, parks, and playgrounds where they are involuntarily exposed to toxic chemicals that cause harm? Please protect Connecticut's children wherever they may be exposed to toxic lawn pesticides.

Sincerely yours,

Gwen Gunn
